

# MB

## David Robinson @drdavidrobinson

The Rheumatology Interest Group (RIgG) brings together rheumatologists and internal medicine trainees interested in rheumatology for informal evenings of food, wine, and occasionally journal articles. Best journal club ever!

## Kerstin Gerhold @drkerstingerhold

Winnipeg welcomed two new pediatric rheumatologists, Dr. Lily Lim and myself, who are teaming up to fill the substantial vacancy left by the retirement of Dr. Kiem Oen. The team looks forward to bringing new visions to the Manitoba area.

## Liam O'Neil @drliamoneil

Everyone here is very excited to welcome three new rheumatology fellows, who will begin training in July 2016. An expanding program will improve many domains, including collaboration and structured learning.
