

Updates from Quebec

Updates from the Adult Rheumatology Team (Division of Rheumatology at *Université Laval*)

By Laëtitia Michou, MD, PhD

- Great news: The Ministry has granted us four additional positions in adult rheumatology at the CHU de Québec-Université Laval. Keep an eye on the postings as we are actively recruiting!
- Dr. Myriam Allen is now the director of our adult rheumatology residency program.
- Our dear colleagues Dr. Angèle Turcotte and Dr. Jacques P. Brown began their well-deserved retirements this spring.
- The increase in the number of rheumatologists in Quebec City has allowed us to regain control of our wait lists, much to the delight of our patients.
- Our clinical research programs are expanding.

News from the Pediatric Rheumatology Team at the *CHU de Québec-Université Laval*

By Julie Couture, MD, FRCPC

Our team is now composed of three dynamic pediatric rheumatologists who are committed to caring for child-

ren and adolescents with rheumatological conditions in the Quebec City area and throughout eastern Quebec! In addition, we are currently in the process of recruiting a fourth pediatric rheumatologist.

We are involved in teaching pre-clinical, external and resident students at Université Laval and each of us have our own particular clinical and research interests:

- Dr. Anne-Laure Chetaille: auto-inflammatory diseases;
- Dr. Julie Couture: pediatric and neonatal lupus;
- Dr. Jean-Philippe Proulx-Gauthier: joint ultrasonography

Our team is motivated to collaborate with other Canadian centres for the benefit of our precious little patients!
